

God Is Great!

Level of Biblical Learning:
God is real, the only true God.

1 Samuel 17

Parent Helps:

- Invite your child to describe each family member (physical characteristics, likes/dislikes, and so on).
- Ask: “What is God like?”
- Read aloud Psalm 86:8-10.
- Emphasize that no one is like God! God is the Creator; He made everything! God is wonderful, awesome, and powerful. He is perfectly good and loves people. God can do anything, and He deserves our praise!
- Explain that God knows everything about us. He always knows what is best, and we can trust Him.

Discussion Questions:

Younger Kids:

1. What is something that only God can do?
2. How does God help you when you have a problem?
3. God is great! What is something you can do to tell God how great He is?

Older Kids:

1. Has anyone ever broken a promise to you or let you down? How did it make you feel?
2. How is God different from people?
3. How do you know that you can trust God?
