## Woodworking Class - Charcuterie Board

Just in time for the holidays, the Recreation Ministry will conduct a class to make a charcuterie board with colorful woods and artistic inlays. You will be provided a piece of cherry or walnut and will inlay the surface with contrasting wood patterns of choice. The class will cover everything from start to finish. Some woodworking experience is a pre-requisite. Three classes will be at **6:30 pm** in the woodshop **Mondays on September 19, 26 and October 3**. Cost is \$25. Both the meal and childcare require registration (click [here](#) to register). **This Sunday, September 18 is the final day to register.**

**Sunday, September 25**, offers two unique experiences, the **Global Prayer Walk and Missions Fair from 4 - 6 pm**. There will be Missionaries in Sunday morning Life Groups and Worship. The Global Prayer Walk will be an immersive experience, taking you through a gallery of images and objects from the eight affinities of the world. This will be our Together in Prayer time for September. Everyone is encouraged to participate in this special call to prayer for our missions efforts around the world. At the Missions Fair, you will be able to personally meet and talk to missionaries who have traveled from the countries where they are serving around the world, just to be here this weekend and share their work and passion with you.

Kid's can join in the fun as they learn about missions with a Kids' Mission Quest at the Missions Fair and build a keychain at the Global Prayer Walk. All of these experiences will take place at the South Campus. You can find all the details about this incredible weekend by clicking [here](#).

## MISSIONARIES OF THE WEEK

### Turley Family | Eurasia

Pray for our staff to be agents of transformation among the communities, and to be wise to handle increasing scrutiny on the ground toward Christians.

Pray for opportunities to connect with churches in the Indigenous Cultural Communities to be able to discuss with them some possibilities of using their indigenous languages in meaningful ways inside the church.
