

WHITESBURG

BAPTIST CHURCH

In an effort to make sure that everyone is prepared and healthy for the holiday we will be taking a step back from our weekly activities for the next two weeks. During the week of Thanksgiving and the week following, we will not have any weekday or Wednesday night activities. Sunday worship and Life Groups will continue as normal.

We care about you and all that are in attendance. We hope that by reducing the number of times we are together while still maintaining our priority of worship and discipleship we can reduce potential exposure. As always,

- If you are not feeling well (fever, coughing, shortness of breath, or just generally feeling sick) please do not attend but join us online for worship and Life Groups from home. [Watch Live Stream here.](#)
- For our part we will continue to do everything we can to reduce risk while you are on the church campus:
 - sanitizing throughout the time you are here,
 - propping doors open,
 - keeping offerings and Lord's Supper as touchless as possible, and
 - reducing the number of printed materials to be handled.
- We highly encourage you to practice
 - distancing,
 - avoid contact through handshakes, hugs, and the like, and
 - wear a mask anytime you are moving about the building or are in hallways and other common areas.

We are praying for you to have a safe and wonderful holiday season.
