WHITESBURG BIBLICAL COUNSELING MINISTRY

Hope for those hurting and struggling with life's issues.

The Whitesburg Biblical Counseling Ministry has helped many people find hope and freedom over the past 25 years. Our trained biblical counselors build caring relationships with counselees and help them become overcomers through Christ's power.

More About This Ministry

The Whitesburg Biblical Counseling Ministry (WBCM) operates under the supervision of the Pastor of Whitesburg Baptist Church. The WBCM team consists of trained and experienced biblical counselors who believe that God's Word provides help through our struggles. We believe the Holy Spirit helps each believer understand the Bible and that, through prayer, the Word of God has the power to change lives and bring peace in any circumstance.

"All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work."

2 Timothy 3:16-17 (NIV)

Our Goal:

Our goal is to connect each counselee to the truth of God's Word. Attending sessions consistently, committing to personal Bible study and having accountability with a counselor helps counselees grow in their faith and obedience to God.
